Parent Code of Conduct

_____ (Initial)

The SGV Trojans Organization is respected and expect all members to maintain our image by conducting themselves and guests in a positive and sportsmanship type manor. We understand bad calls and teams that have no respect, but we will not condone this behavior in our organization. If someone in your family/group are getting out of hand, we will ask you and your group to leave. These kids do not need to be a part of that. Please keep consumption of beverages to a minimum and away from the players/ dugout. If failure to comply we have the right reserved to expel you and your player from the organization.

We, the SGV Trojans, reserve all rights to ask parents, family member, or player to leave a game, practice, or any activity related to the organization. We have a 0 tolerance for parents and players outburst and bullying. Violation will result to ejection from the activity and possibly team. We pride ourselves on being a Family as a whole organization and hope to pass our skills and sportsmanship along to each one of you.

Thank you,

SGV Trojans
